Churchill Fellowships

More than 4,200 Fellowships have been awarded since 1965

Well over 100 new Fellowships will be awarded this coming year – at an average value of $26,000 each
Eligibility

PERSONAL:
- Australian citizens only
- Applicants must be over 18 years of age

PROJECT:
- Opportunity must not be available in Australia
- Must travel overseas for 4-8 weeks in one continuous journey
- Can not be part of another project such as a university qualification or partially funded by another organisation
Design Your Own Project

- There is no set topic – design your own
- We also offer sponsored Fellowships that focus on particular topic areas
- The list of Sponsored Fellowships offered can be found at churchilltrust.com.au/sponsors
- Ask – what topic can I investigate that will be of the most benefit?
Applications open 1 February 2018 and close mid to late April
All applications must be made online at churchilltrust.com.au/apply
The latest version of our Application Guide can be downloaded from the Churchill Trust website
Two references are required to apply for a Fellowship
- Project Reference
- Professional Reference

Identify your referees early

Use the Reference Request Feature within the online application form to request your references by email and/or SMS (Short-mobile messaging service)

Referees are required to complete your reference online and lodge it electronically into your online application form

Applicants will receive an email notification once lodged
Your Itinerary

When completing your itinerary, consider the following:

- Limit your itinerary to destinations that will most benefit your project
- The high cost of air travel to some of the more remote countries and difficulty of internal travel
- Avoid high risk countries (visit www.smarttraveller.com.au) as the Trust cannot approve travel to these countries
- Your itinerary must be planned as one continuous journey
- If awarded you must depart Australia between 1 February 2019 though to 31 January 2020
Selection Criteria and Tips

PROJECT:
- Need for the project
- Benefits of the project to Australia
- Itinerary and overseas destinations selected
- Achievability of the project

PERSONAL:
- Ability to maximise the opportunity
- Commitment to disseminate findings
- Commitment to make a difference
